

## Posies Round the Square Block

Template A – triangle cut 4

Template B – corner Triangle – cut 4

Template C - cut 1

Template D – large circle – cut 4

Template E – small circle – cut 4

Template F – leaf - cut 8

1. Start by sewing the 4 corner triangles (template B) to the four corners of template C.
2. Sew each of the four corner triangles (template A) to each corner of the square formed in step one.
3. Applique templates D, E, and F in place as shown in diagram.

A

B
